CD Rock Collection

CD ROCK 10 £810
CD ROCK 10 LED £950

A floor standing reproduction juke box with a spinning disc display, fitted with a 10 CD module changer and FW radio with 15 presets. It comes with a remote control and is our best-selling jukebox and for very good reasons. It is beautifully made with authentic 'Wurlitzer' style neon tube lighting, real wood veneers and spinning disc display for that authentic 60's Jukebox look and feel. Dimensions: Height: 1.14m x 660mm x 340mm
Audio output - 50 Watts

CD Rock Junior £249

Table top reproduction juke box includes CD / radio and cassette player. The CD ROCK Jnr measures 50cm high x 35cm wide with illuminated bubble effect light tubes and featuring real wood veneers.

CD Rock 3 Neon £599

The CD Rock 3 is a full size floor standing reproduction juke box, featuring a three CD disk changer, MW/FW radio and cassette player with lockable fast forward. Comes with a decorative remote control.

External decorative features include real wood veneers and separate on/off switches for the power and lights, rotary controls for volume, tuning, bass and treble. This model also includes external speaker sockets and measures 1 m high x 54cm x 28cm deep.

CD Rock 200LED £2199

The largest of the Rock CD range incorporating a quality high-end 200 JVC CD multi-changer. Output of the CD 200 is 100w pmpo with motorised volume control, two remote controls to program CDs, adjust volume, mute, bass, boost and standby. Beautiful neon illuminations and solid wood veneer finish off this unit together with a spinning CD disc display. Dimensions: 1.2m x 68cm wide x 53cm deep.
